

OVER TABLE INSTRUMENT TROLLEY

115-090

PRODUCT DESCRIPTION

High quality stainless steel instrument trolley with height adjustment for perfect placement over tables during operations

Hold your instruments and equipment where you need them, close to hand! This purpose built stainless steel instrument trolley allows for the optimum height to be easily achieved with the robust crank handles located at each side.

Clever Design

With a large 1000x600 fully welded top, cleaning is easy and thanks to the weighted design, wide stance of the base and large lockable wheels you won't have to worry about stability of the trolley during movement or in when in use.

Manufactured to last

We don't just supply it! It was designed and built by Burton's in the UK at our principle manufacturing facility in Maidstone, Kent. Using the latest CNC's and laser manufacturing processes and high quality stainless steel materials this product has been engineered from the ground up to last!
