

EXTENDED FLAT OPERATING TABLE TOP

225-150-E-BUNDLE

PRODUCT DESCRIPTION

Extended flat operating top

Designed to fit the Burtons range of table bases this extended version of our flat top allows additional patient / working space on the table. Constructed of high quality stainless steel. Welded and polished corners allow the top to be thoroughly wiped clean with no hidden dirt traps. The perimeter of the top has tie down points to secure the patient.

Lead Lining

Available on a range of tops, lead lined tops are A high quality stainless steel top with built in lead lining, an Ideal combination for X-ray procedures and Operations/ Examinations where space is at a premium in the practice.

Don't forget to protect your top with a Burtons table mat!

We use a 2.5mm thick black matting made from a manmade material that is non-marking and has excellent chemical and abrasive resistance. Mats are provided with stainless steel securing clips for the two short ends, these help hold the mat in place on tables without a recess for the mat to lay in.

Manufactured to last

We don't just supply it! It was designed and built by Burtons in the UK at our principle manufacturing facility in Maidstone, Kent Using the latest CNC's and laser manufacturing processes and high quality stainless steel materials this product has been engineered from the ground up to last!
