

'V' TABLE TOP FOR TABLE

225-102-BUNDLE

PRODUCT DESCRIPTION

For procedures requiring precise animal positioning, choose a 'V' style table

Featuring two die formed stainless steel table leaves, which can be positioned independently to help you create the required angle for specific procedures.

Why not make your top heated?

The heated top option available on a range of table top assists in maintaining body temperature during use. The temperature is controlled via an easy to use mounted panel, simply select the maximum temperature you want the table top to reach and the sensor within the table will then regulate the temperature once reached

Manufactured to last

We don't just supply it! It was designed and built by Burton's in the UK at our principal manufacturing facility in Maidstone, Kent Using the latest CNC's and laser manufacturing processes and high-quality stainless steel materials this product has been engineered from the ground up to last!

Top Specifications:

- Top Size: 147 x 40 cm
- Heated option
