

BURTONS NEEDLE FREE VALVES

129-018-BUNDLE

PRODUCT DESCRIPTION

Needle Free Valve

This needle-free valve is optimised for safety, eliminating the risk of needle stick injuries. The design of these needle free valves is intentionally shorter in order to put less pressure on the cannula when in situ. The design is ergonomic to improve the users' comfort and grip on the connector, with the connector having a transparent body to allow visual confirmation after flushing.

Sold in packs of Single / 25 / 100

Key Features

- Ease of connecting
- Easy, instant IV access when used with a cannula, no need for bungs or needles
- Septum seal - Housing is designed to be tight - No dead space
- Compatible with any IV device comprising of a female Luer-lock hub
- Designed to prevent harbouring of contaminants and biofilm
- Clear housing for visibility promotes complete and adequate flush
- Straight through flow maximises flow rates
- Septum surface easily disinfected
- Immediate IV access when used with a cannula, no need for bungs or needles, giving sets attached straight on without removal
- Allows for easy connection and disconnection of giving sets, i.e. no need to try to walk a dog with a giving set attached and risking integrity of IV placement
- Suitable for standard syringes or male Luer lock connections
- Closed system minimises risk of infection

- The valves have a priming volume of only 0.09ml, enabling precise dosage
- Sterile - individually wrapped
- Latex and DEHP free
- Suitable to clean with alcohol-based solution

Unit of issue	50 200
Maximum dwell time	7 days
Maximum number of activations	600
Split septum (lower rate of CRSBI vs mechanical valves)	Yes
No mechanical valve (No complex moving parts in the fluid pathway)	Yes
Proven protection against microbial ingress	7-day microbial challenge
Priming volume	0.09ml
Minimal displacement volume	0.02ml
Latex free	Yes
DEHP free	Yes
Lipid resistant	Yes
Alcohol resistant	Yes
MRI compatible	Yes
Glass syringe compatible	Yes
Cytotoxic drug compatible	Yes

ADDITIONAL INFORMATION

Animal	Mixed
SKU	129-018-bundle
Colour/Style	Clear
Brand	Burtons

Good to know...

At Burtons we know you have a choice to shop with us, that is why we always aim to delight our customers with a fast, easy, shopping experience. Making and sourcing only the best products we can find to fit your needs.

Price Matching: We regularly check all our prices against competitors so you don't have to. If you do find a like for like product cheaper we will aim to not just match it, but beat it!

Backorders: All back ordered items will be ordered and shipped as quickly as we can to you. Special order items may take up to 4 weeks. Once ordered a member of our team will be in contact to keep you informed of estimated delivery dates.

Returns Policy: You may return new, unworn or unused products within fourteen (14) days of delivery for a full refund of the cost of the goods, or an exchange if preferred. This is on top of your statutory rights
