

KNOCK DOWN BOX 10 LITRE CAPACITY

113-601

PRODUCT DESCRIPTION

Knock-down Box: The practical and portable solution to safe anaesthetic administration for small companion animals

Portable, robust yet effective, this knock-down box provides a secure environment within which small companion animals can be safely and effectively anaesthetised.

Measuring 350mm in length by 230mm in width and with a height of 150mm, this 10-litre capacity box will provide a comfortable environment for controlled anaesthesia to take place on even the smallest companion animal.

Lightweight and easily portable, the knock-down box's transparent design always allows for clear visual monitoring. Compatible with all general anaesthetic machines, the fresh gas hose is included complete with green connectors, allowing standard connection to the fresh gas inlet and scavenging ports.

Key Features:

- Fully transparent knock-down box for visual monitoring of small companion animal during anaesthesia administration
- Securely sealed to safely contain and control anaesthetic gas flow
- Compatible with all general anaesthetic machines
- Scavenge port compatible with standard 22mm scavenge hose
- Hose and green connectors included

Specifications:

- Capacity: 10 litres
- Dimensions: 350mm (length) x 230mm (width) x 150mm (height)
