

DENTAL TRAY EXTENSION FOR BURTONS TABLE TOPS

225-260

PRODUCT DESCRIPTION

Ideal for maximizing space in smaller areas, the Burtons Dental Extension transforms any standard Burtons Table Top into a practical and fully functional dental table.

Designed to fit any Burtons standard size tabletop, including heated and lead-lined.

Key Features

- Grill design enabling fluid and debris to be drained away easily during a dental procedure
- Fits any standard size Burtons Table Top and can be used with all bases
- Adds 355mm to your standard table dimensions
- No installation required, easy assembly
- Made from easy-to-clean, long-lasting stainless steel
- Add to prep room or theatre tables to create multi-functional practice areas

Please note: This cannot be added to an extended-size tabletop as the extra length of the table can cause the base to become unstable.
