

ASTRAMAX HD CEILING MOUNTED OPERATING LIGHT FOR CEILING HEIGHTS 2525MM - 3330MM

AMAX30FC

PRODUCT DESCRIPTION

AstraMax HD Ceiling Mounted Operating Light For Ceiling Heights 2525mm - 3330mm

The aim of the development of Astramax was to bridge the gap between the biggest operating theatre lights and smaller minor operating lights.

Astramax carries all of the advantages of HD-LED technology including:

Full Spectrum Colour Rendition

The first LED lighting with near perfect colour rendition across the full visible spectrum. This reduces eye strain and enables small differences in tissue to be distinguished easily.

Fat Beam Illumination

More light flux provides the biggest beams of light in the business, bigger illuminated fields and more light across the full width of the illuminated area.

Red Balance Control

The highest R9 red colour rendition of any product provides the optimum visualisation of red tissues. Red balance enhancement compensates for our natural weakness in distinguishing shades of red.

- HD-LED Technology
- High performance compact surgical light
- LED life of 40,000 hours
- 140,000 Lux
- Large movement range
- Economical
- Environmentally friendly
- Lamp head sealed to IP54
- Shadow control
- 5-100% light intensity control
