

VETERINARY WELCH ALLYN SPHYGMOMANOMETER

WA5209-189-M

PRODUCT DESCRIPTION

Based on the Welch Allyn aneroid DS-65 sphygmomanometer which incorporates shock-resistant DuraShock technology.

Specifically modified by Burtons to be fitted with a No.3 cuff, suitable for limbs this veterinary sphygmomanometer can be used in conjunction with a stethoscope or Doppler blood flow detector for blood pressure determinations.

With a gear-free design the Welch Allyn DS-65 DuraShock Sphygmomanometers have fewer moving parts to provide a gauge which is shock resistant. The DuraShock has been tested and validated to withstand a drop of 76cm onto a hard surface and still remain accurate, and meets the AAMI Shock Resistant specification. The Trigger features an innovative trigger-release design for easy operation.

This Sphygmomanometer comes complete with Single tube, durable one piece No.3 cuff and zipper carry case.

Key Features

- Shock resistant to maintain accuracy at a lower lifetime cost, it can withstand up to 30" (76.2 cm) drop and remain in calibration
- A laser-engraved dial face for accuracy
- A trigger deflation valve for smooth, one-finger operation
- Ergonomic design for added comfort
- Lighter weight than traditional models
- Latex-free

ADDITIONAL INFORMATION

Animal	Small Animal
SKU	WA5209-189-M
Colour/Style	Black
Brand	Welch Allyn
Monitor Parameters	NIBP
Optional Modules	No
SD Card	N/A

Good to know...

At Burtons we know you have a choice to shop with us, that is why we always aim to delight our customers with a fast, easy, shopping experience. Making and sourcing only the best products we can find to fit your needs. Price Matching: We regularly check all our prices against competitors so you don't have to. If you do find a like for like product cheaper we will aim to not just match it, but beat it! Backorders: All back ordered items will be ordered and shipped as quickly as we can to you. Special order items may take up to 4 weeks. Once ordered a member of our team will be in contact to keep you informed of estimated delivery dates. Returns Policy: You may return new, unworn or unused products within fourteen (14) days of delivery for a full refund of the cost of the goods, or an exchange if preferred. This is on top of your statutory rights
